

Electronic ASI (Attachment Style Interview) pack

The electronic version of the Attachment Style Interview (ASI) pack for Adoption & Fostering and Child Care Interview Pack is the newly created version of the original paper-based ASI Interview Pack. It comes in a convenient PDF Acrobat format document that can be shared amongst members of the organisation and re-used an indefinite number of times throughout its licence period. It is very simple to use, with clear distinction between standard questions and scoring instructions, which are fixed, and fill-able fields for notes, rating justifications, verbatim ratings and scores.

The advantages of the new Electronic ASI Interview Pack:

- Convenient and easy use with time and paper savings
- Clearer presentation of word-processed information
- Sophisticated presentation to keep formatting intact if printed out
- Simple to save and reuse in its digital format
- Can be used a countless number of times
- Easy to store in compact format for service records
- Easy to share electronically with colleagues and agencies

Further information /to order:

If you are interested in finding out more about the ASI, then please respond by email. We will send you an abbreviated 'taster' section of the ASI to look over, and the terms and conditions of purchasing the electronic ASI. The cost is £850 for a licence period of a year for a team. The version you receive will be labelled with your agency name and license number.

The Electronic ASI pack is also available at reduced annual costs of £650 for voluntary agencies and £550 for independent practitioners.
